25<sup>th</sup> February 2021

Dear Parents / Carers,

As you have probably heard, the government have decided that ALL primary school children will be returning to school from Monday March 8<sup>th</sup> 2021.

We are very pleased to be welcoming back all our children and are looking forward to working with them and yourselves again. The past twelve months have been a roller coaster of emotions for the children, yourselves, your family and our staff. We are very keen to try to get back to some normality and are planning, so that your children can enjoy school and recover their lost education.

ALL children will be in school with staggered start and finish times. Robust risk assessments will be in place to ensure their safety. (These can be viewed on our web site) We ask that all children wear uniform. If your child is entitled to free school meals these will be provided. He / She can pick from a hot or cold lunch. All children will be able to choose a hot lunch if they want one. We ask that you send the payment in, in an envelope, with your child, at the start of the week. The lunchtime rota will be on a three-week cycle. (Like in the Autumn term.) Your child may have to have a hot lunch box, in their classroom, one week in three. This is to ensure that bubbles do not mix and therefore, any need to isolate groups will be kept to a minimum. Reception and Nursery children will be given the choice of hot lunch boxes or sandwiches.

The school lunchtime menu is on a three-week cycle. This is published on our web site. Reception and Nursery children will be asked to select their meals for the week in advance. These menus will be distributed via the class teacher.

Breakfast Club will start from Monday 8<sup>th</sup> March, at 8.00 am. This is to support children of key workers. Please ring the school and book a place if you want your child to attend

PE is even more important as our children will probably have been kept indoors, not least because of the terrible weather lately. PE will be on normal days. Please send your child to school in their PE kit on this day. Track suit bottoms can be worn or when the weather improves shorts. Whenever possible PE will be outside.

We are designing a recovery curriculum which will help your child to get back the learning they have missed but will also focus on supporting their emotional wellbeing. As soon as we are able we will be reintroducing the 'walks' and other outdoor activities. Wellesbourne has registered to be a 'Nature Friendly School' and our curriculum will be developing these aspects of learning.

Please can we ask that you continue to consider the safety of all our children, families and staff. Face coverings must be worn on our grounds and in our school building. A distance of 2m should be maintained wherever possible. We will continue to ensure the children wash their hands and follow government guidelines to keep them safe. Please do not visit the school unless it is vitally important. If you need to speak to a member of staff, please telephone. If a face to face appointment is necessary, this can be made at that time. Please don't consider our staff rude if they ask that you follow this procedure. It is to keep us all safe and prevent any need for further school closures.

Thank you for all your support in these difficult times.

Stay Safe – we'll see you all soon.

M Mallon
