Hello Parents and Carers!

This week in school we have had a very exciting event - transition to our new classes! On Wednesday, our children in Nursery-Year 5 moved up to their new class and met their new teacher - it was lovely walking around school seeing everybody looking so excited and happy! The teachers were really impressed by their new classes and how grown up they were. The children will get to spend some more time with their new teacher next Friday! On Wednesday, Year 6 spent the day at their new schools. We hope they had a fantastic time!

Today, we have had our very first Children's University graduation! Members of Year 2 and Year 6 have had a wonderful morning at Liverpool University celebrating their achievements. Next Friday, we will be celebrating the achievements of our Year 1, 3, 4 and 5 children in school who have gained enough credits for an award - if this applies to your child, you will have received an invite to attend!

This week we have received our report from our Inclusion Quality Mark assessment. It is a fantastic read and we are very proud to have been recommended as a Centre of Excellence! A letter will be coming home with your child tonight summarising the main highlights!

Have a lovely weekend!

Miss Howard

Cooperate

THIS WEEK IN PSHE

This term in PSHE we are looking at Health and Wellbeing. This week, we have focused on managing transition, with a particular focus on thinking ahead to our new classes for next year. With the younger children, we have looked at how rules and age restrictions can keep us safe online.

Year One Phonics

This week in Phonics

This week in Phonics, Year 1 have continued to look at alternative sounds. We have looked at:

- 'ou': group, soup, wound
- 'oul': boulder, shoulder, smoulder
- 'ie': chief, shield, field
- 've': give, have, dissolve

Can you read this sentence?

The group in the field have soup next to a boulder.

Keep practising at home!

ATTENDANCE is one of our school values

As a school we are striving to achieve at least 97% attendance. Unfortunately, we have not achieved this this week. It is extremely important children attend school every day.

OVERALL - 93.0%
 Monday - **92.7%**
 Tuesday - **92.8%**
 Wednesday - **92.8%**
 Thursday - **CLOSED**
 Friday - **88.4%**

Attend

This week we only had one class with over 97% attendance. We have 15 classes in school so this is disappointing! A big well done to 1PP for their attendance this week - you will receive Champions' Breakfast next week!

This Week's Focus: Art

Art and design stimulates creativity and imagination. It provides visual, tactile and sensory experiences, and a special way of understanding and responding to the world. It enables children to communicate what they see, feel and think, through the use of colour, texture, form, pattern and different materials and processes. We follow a five-part sequence where children can explore art by **researching** an artist, **practising** the art skills being covered, **planning** their designs using previously-taught skills, **creating** their designs and **evaluating** their work so that they can identify what they have done well and what could be improved.

This half term, Year 2 have **researched** the artist 'Gakonga' and have **practised** drawing African animals using pastels to mix colours to create the backgrounds in a similar style to Gakonga.

PASTORAL COFFEE MORNING WEDNESDAY 10TH JULY 9:00-10:30am

Come along and have a chat with the following:

Mrs Willshire (SENDCO)

Miss Moore (Learning Mentor)

Rebecca (School Nurse)

Sonia Cross (Parental Advice)

Amy (Mental Health School Team)

This is a great opportunity for parents to come along and have an informal chat about your child, any needs arising and support you and they may need. It is also a chance to gain an understanding of how a range of experiences can affect your child and their emotions.

All parents are welcome; please just come over to our Well Centre after dropping your child off!
