Hello Parents and Carers!

What a brilliant week it has been! Yesterday, we held our annual World Book Day celebrations. This year, we held a sponsored 'Boogie for Books' where the children took part in lots of dance activities! So far from our sponsored event, we have raised a huge £1,261 - a huge thanks to all families who have donated or raised funds for this! We know there are also some sponsor forms still coming back to school over the next few days, so this total will increase! We also spent lots of time on book-related activities on World Book Day - it was a fantastic day and very much enjoyed by all! Our Year 2 classes also attended Pizza Express this week and made pizzas - their behaviour was fantastic! Well done Year 2!

Next week it is Assessment Week for our Y1-5 children. The children will take part in some tests as part of this, which is a real chance for them to show off everything they know! Please ensure your child is in school, on time, every day.

Have a lovely weekend!

Miss Howard

SAVE THE DATE - EASTER BINGO!

On Tuesday 26th April at 3:30pm, we will be holding our Easter Bingo! This will be a ticketed event - a letter will be sent out for this soon which will contain information about how to get tickets. Tickets will be allocated on a first-come, first-served basis. Bingo books will be available to purchase at the event, at a cost of £2 each. There will also be a Tuck Shop available to purchase refreshments from!

Year One Phonics

This week in Phonics, Y1 have been revising previously-taught sounds. We have been playing games and having lots of fun!

We have challenged ourselves to read as many sounds as we can in one minute. Use your sound mat at home to practise even more - can you beat your previous high score?

We have also been creating our own aliens and giving them alien names! Can you read these alien words?

Gliff, sprimp, shog, sloin, prie, twull, rame

Keep working hard and reading at home!

ATTENDANCE is one of our school values

As a school we are striving to achieve at least 97% attendance. Attendance has been better this week, with a few days getting over 95%, however has still not met our target.

OVERALL - 92.8%

Monday - 94.6%
Tuesday - 95.2%
Wednesday - 94.1%
Thursday - 95.7%
Friday - 93.2%

Attend

Well done to 3CM, 4LH and 5LG who achieved over 97% attendance this week! Our top classes, 3CM and 5LG, achieved 98.3% attendance, so will receive Champions Breakfast next week!

Honest

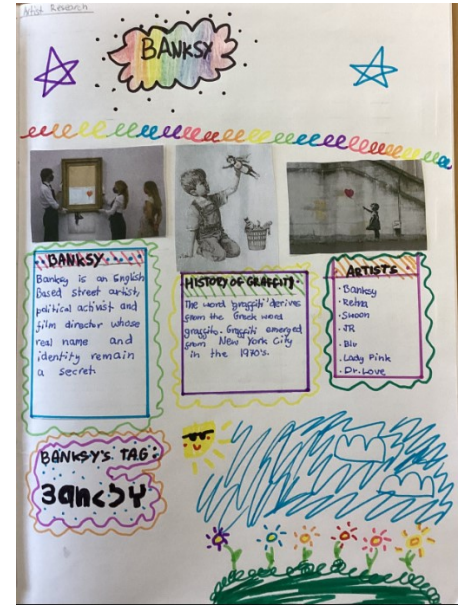

This Week's Subject: Art

Art and design stimulates creativity and imagination. It provides visual, tactile and sensory experiences, and a special way of understanding and responding to the world. It enables children to communicate what they see, feel and think, through the use of colour, texture, form, pattern and different materials and processes. We follow a five-part sequence where children can explore art by **researching** an artist, **practising** the art skills being covered, **planning** their designs using previously-taught skills, **creating** their designs and **evaluating** their work so that they can identify what they have done well and what could be improved.

Y6 have been learning about Banksy, a famous graffiti artist. They created beautiful pieces using a stencil technique and finished it off with their own 'tags'. Well done Year 6!

Bully Busters

This week, some of our children took part in a hate crime conference ran by Bully Busters. Children from Florence Melly Primary School also came along.

Natalie from Bully Busters spoke about different types of hate crimes. The children who attended will be delivering a whole-school assembly with the help of Bully Busters soon to explain what a hate crime is.

Well done to Alfie, Emily, Gabriella, Lucy and Daniel from Y4, Alfie, Holly, Jakub and Jess from Y5 and Mia and Sonny from Y6!
