Hello Parents and Carers!

This week, our Y1-5 children have worked extremely hard during Assessment Week, showing off everything they have learned so far in their year group! Well done children! Next week is Y6's turn - we know they'll do a great job!

We have had a really busy week with numerous events for parents taking place - thank you to everyone who has attended the Maths Parent Workshops that have taken place so far! We have our final one on Monday for Reception parents - if you have not yet signed up and would like to attend, please contact the school office.

Our Year 6 children delivered a fantastic showcase of what they have learnt so far for their parents this week. Well done children, you made us so proud!

We were also extremely proud of our Y5/6 Basketball Team this week after winning the City Championship! What an amazing achievement!

Next week, we look forward to welcoming Year 5 parents for their Family Assembly.

Have a lovely weekend!

Miss Howard

SAVE THE DATE - EASTER BINGO!

On Tuesday 26th April at 3:30pm, we will be holding our Easter Bingo! This will be a ticketed event - a letter will be sent out for this soon which will contain information about how to get tickets. Tickets will be allocated on a first-come, first-served basis. Bingo books will be available to purchase at the event, at a cost of £2 each. There will also be a Tuck Shop available to purchase refreshments from!

Year One Phonics

This week in Phonics, Year 1 have been looking at ways of making the 'oa' sound.

- 'oa' -float on the moat
- 'ow' -go slow in the snow
- 'oe' -tiptoe past the doe
- 'o-e' - note in the envelope

Can you read the following sentence?

The potatoes grow slowly on the boat near my home.

ATTENDANCE is one of our school values

As a school we are striving to achieve at least 97% attendance. Attendance was very poor at the start of the week but has picked up the last two days. It is great to see two days over 95%, but we need to be aiming for that 97%!

OVERALL - 92.8%

- Monday - 92.3%
- Tuesday - 92.3%
- Wednesday - 93.0%
- Thursday - 95.0%
- Friday - 96.0%

No classes achieved over 97% attendance this week.

This Week's Subject: Modern Foreign Languages (Spanish)

We believe that a Modern Foreign Language prepares pupils to participate in a rapidly-changing world in which work and other activities are often carried out in languages other than English. The rise of international commerce means that pupils need to be equipped with the skills needed in the international workplace. The choice of which language to teach is secondary to the lifelong language learning skills that the pupils will be encouraged to develop.

Our KS2 children are taught Spanish by our specialist teacher, Margherita, who comes into school every Tuesday. To supplement this teaching, Ms Greathead, our Spanish Subject Lead, runs 'La Cocina' - a Spanish cooking club! Last week, they made gazpacho, learned the verb 'rallar' (to grate) and the noun 'pepino' (cucumber) and practised their cleaning skills!

Reading Recommendation

6MC recommend their current English text, **Hansel and Gretel** by Neil Gaiman.

Hansel and Gretel is about siblings who are abandoned in a forest and fall into the hands of a witch who lives in a gingerbread, cake, and candy house. The evil witch plans to fatten the children before eating them, but Gretel outwits her and kills her.
