18.07.24 9:15am - EYFS/KS1 Awards Assembly

19.07.24 9:15am - KS2 Awards Assembly

22.07.24 - Y6 Leavers' Assembly

23.07.24 2pm - Finish for Summer

Hello Parents and Carers!

It's been another busy (and very hot!) week! The children have worked really hard and been very sensible on what have been some particularly hot days. We know this can make it more difficult to concentrate and they have really done us (and you) proud! Unfortunately, due to the weather being so hot on Wednesday, we had to cancel KS2 Sports Day at St John Bosco. We felt with temperatures reaching 24 degrees just in the morning we would be putting the children at risk of getting burnt by having to walk twenty minutes each way and then having to sit outside on an open field with no shade. We know there will have been disappointed children but we hope parents can understand why we had to make this decision! If we can we will rearrange the day, however at such a late stage in the year this may not be possible. Brian will ensure the children take part in races during PE lessons at the least! Our Y2 and EYFS Sports Days did, however, take place on much cooler days. Thanks to those who attended! We have also had our Year 5 children out of school this week on their first ever overnight residential! They have had a fantastic time and been great role models for Wellesbourne - well done Year 5! Have a look at Facebook and Twitter to see some photographs!

Have a lovely weekend!
Miss Howard

Effort

Cooperate

THIS WEEK IN PSHE

This term in PSHE we are looking at Health and Wellbeing. This week, we have been talking to the children about transition to their new classes, which will take place on Wednesday next week. Children from Nursery-Year 5 will spend some of the afternoon in their new classroom with their new teacher, finding out all about their new year group! This is a really exciting time of year which the teachers and children really look forward to! Look out for a document your child will bring home on Wednesday containing information about their new teacher, fun things they do in their new year group and which doors they will need to enter through/ be collected from!

Year One Phonics

This week in Phonics

This week in Phonics, Year 1 have continued to look at alternative sounds. We have looked at:

u: unicorn, uniform
ch: school, orchestra
ch: chef, machine
ea: bread, head

Can you read this sentence?
The school chef made bread for the children wearing their uniforms.

Keep practising at home!

ATTENDANCE is one of our school values

As a school we are striving to achieve at least 97% attendance. Unfortunately, we have not achieved this this week. It is extremely important children attend school every day.

OVERALL - 93.0%
Monday - **91.7%**
Tuesday - **93.7%**
Wednesday - **90.1%**
Thursday - **94.1%**
Friday - **91.4%**

Attend

This week we only had one class with over 97% attendance. We have 15 classes in school so this is disappointing! A big well done to 3OK for their attendance this week - you will receive Champtions' Breakfast next week!

This Week's Focus: Design Technology (DT)

Within Design Technology, we strive to prepare children to take part in the development of tomorrow's rapidly-changing world. Our DT curriculum is high-quality, well-thought-out and is planned to demonstrate progression. We focus on progression of knowledge and skills and discreet vocabulary progression also forms part of the units of work.

Within a unit of work, we follow a five-step process for DT: children **research** the product they're focusing on/about an important person in the field they are looking at; they **practise** the skills they will need to use within the unit, they **plan** their design, **make** their product and **evaluate** its effectiveness. Year 6's current DT unit is Food Technology. Within this unit they have made a three-course meal with a Mexican theme! They **researched** Mexican food and ingredients, **practised** skills for chopping sensibly and carefully using a knife, **planned** the course they were responsible for, **made** the course and then **evaluated** it...a huge part of which involved eating it!

TTRS AND NUMBOTS WINNERS THIS WEEK

TTRS

Most correct answers: Michael R Y4 - 1,466

Most coins: Nancy C Y3 - 10,694

Improved speed: Nancy C Y3 - Improved by 7.83 seconds

Fastest all-time speed: Alfie D Y4 - 0.65 seconds (WOW!!!)

Numbots

Most minutes played: Athena CF Y1 - 77 minutes

Correct answers: Athena CF Y1 - 204

Most coins: Athena CF Y1 - 1,044

Respect

PASTORAL COFFEE MORNING WEDNESDAY 10TH JULY 9:00-10:30am

Come along and have a chat with the following:
Mrs Willshire (SENDCO)
Miss Moore (Learning Mentor)
Rebecca (School Nurse)
Sonia Cross (Parental Advice)
Amy (Mental Health School Team)

This is a great opportunity for parents to come along and have an informal chat about your child, any needs arising and support you and they may need. It is also a chance to gain an understanding of how a range of experiences can affect your child and their emotions.

All parents are welcome; please just come over to our Well Centre after dropping your child off!
